LIVING IN PHNOM PENH, CAMBODIA

In Phnom Penh, life can either be laid-back or extravagant. You can “*rent a simple studio flat, pedal around the city on your bicycle and prepare steamed white rice for dinner. You also have the option,*” if your budget permits, to buy a condo loft, import your European car and dine in the string of restaurants all over Phnom Penh. Regardless of the lifestyle you choose, there are some daily **essentials** and **tips** you should know to settle in to your **host country seamlessly**.
